

## (hey Isaac, what happened to the) sausage balls?

1 lb. hot sausage

2 c. grated sharp Cheddar cheese

3 c. Bisquick (biscuit mix)

allow cheese to come to room temperature.

combine all ingredients (just get your hands dirty, it's easier).

roll into 1 inch balls and place on ungreased cookie sheet.

bake at 350 degrees for 12-15 minutes.

serve immediately (or keep them under lock and key until ready to serve).

makes 40-50 sausage balls when served immediately.

makes 3 sausage balls when served later (if you're lucky).
